### Progress 8

The school's Progress 8 score measures how well students have progressed since their time in secondary school compared to their peers who were at the same level as them at Key Stage 2. Although Progress 8 scores will not be published for schools in traditional performance tables, FFT (Fischer Family Trust) have used the National Pupil Database to allocate Progress 8 scores for schools across the country for 2020.

The projected Progress 8 score for St Edward's Academy for 2020 follows a similar pattern of success achieved for the past three years. The FFT projections place St Edward's at a Progress 8 score of **+0.21**. This is **Above Average** in terms of national rates of progress. The significant progress that students make at St Edward's, as shown by our year-on-year positive Progress 8 score, places your child's future in safe hands.
