

St Edward's Academy

Pupil Premium Report

2021 / 2022

Background

The Pupil Premium is allocated to schools based on the number of students who are eligible for free school meals in the last 6 years ('Ever 6') and the number of Looked After Children. St Edward's Academy supports the Government belief that the Pupil Premium, which is additional to main school funding, is the best way to address the current underlying inequalities between children eligible for free school meals (FSM) and their peers from wealthier backgrounds.

The allocation of the Pupil Premium ensures that funding to tackle disadvantage reaches the students who need it most. Pupil Premium is funding to improve education outcomes for disadvantaged pupils in schools in England. Evidence shows that disadvantaged children generally face additional challenges in reaching their potential at school and often do not perform as well as other pupils.

Pupil Premium funding is not allocated based on academic ability. Schools receive funding based on all of the children who are eligible. Evidence shows that academically able pupils from disadvantaged backgrounds are most at risk of under-performing. These pupils should receive just as much focus as less academically able pupils.

Pupil eligibility and funding rates

This table shows how much Pupil Premium funding schools and local authorities receive for each eligible child.

Pupil eligibility criteria	Amount of funding for each secondary-aged pupil per year	Funding is paid to
Pupils who are eligible for free school meals, or have been eligible in the past 6 years	£955	School
Pupils who have been adopted from care or have left care	£2345	School
Children who are looked after by the local authority	£2345	Local authority

Use of the Pupil Premium Grant

The DfE recognise that school leaders are best placed to assess their pupils' needs and use the funding to improve attainment, drawing on evidence of effective practice. It is therefore up to school leaders to decide how to spend the Pupil Premium. At St Edward's Academy, the named member of the senior leadership team responsible for Pupil Premium is Munira Said (Assistant Headteacher). Support to ensure that the funding is appropriately allocated and measured for impact is provided by the Headteacher and members of the school's senior leadership team.

Evidence suggests that Pupil Premium spending is most effective when schools use a tiered approach, targeting spending across 3 areas, with a particular focus on teaching:

1. Teaching

Investing in high-quality teaching, for example:

- training and professional development for teachers
- recruitment and retention
- support for teachers early in their careers

2. Targeted academic support

Additional support for some pupils focussed on their specific needs, for example:

- one-to-one tuition
- small group tuition
- speech and language therapy

3. Wider approaches

Support for non-academic issues that impact success in school, such as attendance, behaviour and social and emotional challenges, for example:

- school breakfast clubs
- counselling to support emotional health and wellbeing
- help with the cost of educational trips or visits

St Edward's Academy has referred to the [Education Endowment Foundation's \(EEF\) pupil premium guide](#) to advise our tiered approach to spending.

Pupil Premium Report

2021 / 2022

St Edward's Academy Pupil Premium Strategy Statement

This statement details the use of Pupil Premium (and Recovery Premium for the 2021 to 2022 academic year) funding to help improve the attainment of our disadvantaged pupils. It outlines our Pupil Premium strategy, detailing how we intend to spend the funding in this academic year. A Pupil Premium Impact Review measures the effect that last year's spending of Pupil Premium had within our school.

Underpinning our Pupil Premium strategy are key tenets that form the foundation of our practice at St Edward's Academy:

- **Life in all its Fullness** - through our vision and ethos, our school will make the difference. When fully embedded, *all* learners will have full and equal access to the curriculum.
- **#knowyourstudents** – St Edward's employs an evidence-based culture of learning. Staff are expected to cater for *all* students and their individual needs.
- **No ceilings to success** – quality first teaching will help every child to succeed. Our HOPE agenda fosters a culture of aspiration. All students are given the opportunity to thrive and achieve to the best of their ability. The school's strategies have begun to close the attainment gap between the advantaged and disadvantaged.
- **Our strategy is grounded in the belief that less is more** - we have selected a small number of priorities to focus on based on maximum impact. In the past, a significant number of strategies were employed. This became hard to manage and led to limited outcomes.
- **Curriculum** – our St Edward's 7-year journey builds an aspirational culture and fosters independent learning.

Our intention is that all pupils, irrespective of their background or the challenges they face, make good progress and achieve high attainment across the curriculum, including in EBacc subjects. The focus of our Pupil Premium strategy is to support disadvantaged pupils to achieve that goal, including progress for those who are already high attainers.

We will consider the challenges faced by vulnerable pupils, such as those who receive support from Children's Social Care and those who face any barriers to success (for example, Young Carers). The activities we have outlined in this statement are also intended to support their needs, regardless of whether they are disadvantaged or not.

High-quality teaching is at the heart of our approach, with a focus on areas in which disadvantaged pupils require the most support. This is proven to have the greatest impact on closing the disadvantage attainment gap and at the same time will benefit the non-disadvantaged learners at St Edward's. Implicit in the intended outcomes detailed below, is the intention that non-disadvantaged pupils' attainment will be sustained and improved alongside progress for their disadvantaged peers. Our strategy is also integral to wider school plans for education recovery, notably in its targeted support through the National Tutoring Programme for pupils whose education has been worst affected, including non-disadvantaged pupils.

St Edward's Academy

Pupil Premium Report

2021 / 2022

Our approach will be responsive to common challenges and individual needs, rooted in robust diagnostic assessment, not assumptions about the impact of disadvantage. The approaches we have adopted complement each other to help pupils excel. To ensure they are effective we will:

- ensure disadvantaged pupils are challenged in the work that they are set and receive scaffolded support to help them to meet these challenges;
- act early to intervene at the point need is identified (and be pro-active in seeking to understand and pre-empt need);
- adopt a whole school approach in which all staff take responsibility for disadvantaged pupils' outcomes and raise expectations of what they can achieve.

Ethos and Values Underpins the St Edward's Academy Pupil Premium Strategy

The use of Pupil Premium funding at St Edward's is underpinned by the school's values: H.O.P.E (Humanity, Optimism, Perseverance and Excellence), with particular emphasis on Perseverance and Excellence:

Perseverance

Our aim is to encourage our learners to:

- be **Independent**
- be **Resilient**
- take **Ownership** of their learning
- be **Resourceful**
- **Understand** how they can progress
- be **Relentless** in their pursuit of knowledge

Excellence

We want students to believe:

- that there are **No Ceilings to Success**
- that there are **No Caps on Achievement**
- that with continued effort they can **Strive to be the best they can be**
- in a **Growth Mind-set**
- in the importance of **Marginal Gains**

Addressing Disadvantage

The NFER research report 'Supporting the Attainment of Disadvantaged Pupils: Articulating Success and Good Practice', highlights seven distinct 'building blocks of success' to mitigate against the impact of disadvantage. These are:

- Whole school ethos of attainment for all – schools have an ethos of high attainment for all pupils and avoid stereotyping disadvantaged pupils as all facing similar barriers or as having less potential to succeed;
- Addressing behaviour and attendance – effective behaviour strategies are in place, respond quickly to poor attendance and provide strong social and emotional support, including through working with families;
- High quality teaching for all – emphasise 'quality first teaching' and provide consistently high standards by setting expectations, monitoring performance and sharing best practice;
- Meeting individual learning needs – staff identify each pupil's challenges and interests. Seek the best strategies to help each pupil make the next step in his or her learning. Individual support is provided for specific learning needs and group support for pupils with similar needs;
- Deploying staff effectively – schools devolve responsibility to frontline staff, use their best teachers to work with pupils who need the most support and train teaching assistants to support pupils' learning;
- Data driven and responding to evidence – teachers use data to identify pupils' learning needs, review progress every few weeks and address underperformance quickly. Schools use evidence to make decisions about their support strategies;
- Clear, responsive leadership – Senior leaders set ever higher aspirations and lead by example. They hold all staff accountable for raising attainment, rather than accepting low aspirations and variable performance. They share their thinking and invest in staff training.

At St Edward's Academy, our Pupil Premium strategy aligns fully to the NFER seven distinct 'building blocks of success' to mitigate against the impact of disadvantage.

Progress against SIP Priorities

- Progress against Priority 3: Outcomes - Improved attainment and curriculum progress for all; narrowing gaps between groups of students and rapidly improving outcomes, particularly at Key Stage 4 and Key Stage 5
- The use of Pupil Premium funding will secure high achievement and improve the progress of DA (Disadvantaged) and DDA (Double Disadvantaged) students.

Double Disadvantage

In order to tackle disadvantage effectively, it is important to truly understand the students in our care. To this end, we have considered our cohorts and those who may be considered disadvantaged in more than one sphere. There is no national criteria for double disadvantage, the information below provides a full picture of the students in our care.

Indices of Deprivation

The Index of Multiple Deprivation (IMD) is the official measure of relative deprivation in England. It follows an established methodological framework in broadly defining deprivation to encompass a wide range of an individual's living conditions.

Income Deprivation Domain	Employment Deprivation Domain	Health Deprivation & Disability Domain	Education, Skills & Training Deprivation Domain	Crime Domain	Barriers to Housing & Services Domain	Living Environment Deprivation Domain
Adults & children in Income Support families	Claimants of Jobseeker's Allowance	Years of potential life lost	Children & young people:	Recorded crime rates for:	Geographical barriers:	Indoors living environment
Adults & children in Income-based Jobseeker's Allowance families or Income-based Employment and Support Allowance families	Claimants of Employment and Support Allowance	Comparative illness and disability ratio	Key stage 2 attainment	Violence	Road distance to: post office; primary school; general store or supermarket; GP surgery	Housing in poor condition
Adults & children in Pension Credit (Guarantee) families	Claimants of Incapacity Benefit	Acute morbidity Mood and anxiety disorders	Key stage 4 attainment	Burglary	Wider barriers:	Houses without central heating
Adults & children in Child Tax Credit and Working Tax Credit families not already counted	Claimants of Severe Disablement Allowance		Secondary school absence	Theft	Household overcrowding	Outdoors living environment
Asylum seekers in England in receipt of subsistence support, accommodation support, or both	Claimants of Carer's Allowance		Staying on in education	Criminal damage	Homelessness	Air quality
Adults and children in Universal Credit families where no adult is in 'Working - no requirements' conditionality regime	Claimants of Universal Credit in the 'Searching for work' and 'No work requirements' conditionality groups		Entry to higher education		Housing affordability	Road traffic accidents
			Adults skills: Adults with no or low qualifications English language			

St Edward's Academy

Pupil Premium Report

2021 / 2022

Most deprived local authorities based on Rank (317 local authorities in England):

1. Blackpool
2. Manchester
3. Knowsley
4. Liverpool
- 5. Barking and Dagenham**
6. Birmingham
7. Hackney
8. Sandwell
9. Kingston upon Hull
10. Nottingham

This measure summarises the average level of deprivation across an area, based on the population weighted ranks of all the neighbourhoods within it.

2019 is the most recent indices of deprivation so rank remains at 5 for Barking and Dagenham.

30% St Edward's students live in Barking and Dagenham (ranked fifth most deprived local authority in England).

St Edward's Academy

Pupil Premium Report

2021 / 2022

Pupil Premium Expenditure 2021/2022

St Edward's Academy is proud of our diverse and inclusive culture, reflecting the school's local community. Our strategy for use of Pupil Premium funding is responsive to a wide range of risk factors relating to the impact of disadvantage on student outcomes, progress and experience. We recognise the importance of quality first teaching alongside outstanding pastoral support to raise achievement and engagement in learning.

With this in mind, we adopt a multi-strand approach to secure positive outcomes for all our students, including those deemed disadvantaged.

Challenges

The following table details the key challenges to achievement that we have identified that impact our disadvantaged pupils.

Challenge Type	Detail of challenge
Humanity	<p>Assessments, observations and discussion with Key Stage 3 pupils indicate that disadvantaged pupils generally have lower levels of reading comprehension than peers. This impacts their progress in all subjects.</p> <p>We know that, to achieve in compound assessments, GCSE, A Levels and beyond, a pre-requisite is efficiency in reading (a minimum reading age of 15 is required to fully access GCSE exam papers). Our vision for reading at St Edward's is not that we simply secure exam success (that is a given if our vision is realised); at St Edward's Academy, we believe that <i>all</i> students should develop a love of reading that goes beyond the confines of the power of reading to secure exam success.</p>
Humanity	<p>Our observations suggest many lower attaining disadvantaged pupils lack metacognitive / self-regulation strategies when faced with challenging tasks, notably in their monitoring and evaluation of their answers. This is indicated across the curriculum.</p> <p>We have carefully identified the lowest 20% of learners (based on current and prior attainment) in each Year group. Our drive is to ensure that we have the strategies and scaffolding in place to meet the needs of the lowest 20% of learners so that they can compete with their peers.</p>
Optimism	<p>Our assessments, observations and discussions with pupils and families suggest that the education and well-being of many of our disadvantaged pupils have been impacted by national school closures (and partial closures due to the impact of Covid) to a greater extent than for other pupils. These findings are backed up by several national studies (including the 'Pupil Learning and Well-being during the Covid-19 Pandemic' survey by Impact Ed that St Edward's contributed to: https://drive.google.com/file/d/19tcaSSfyxzTXWjBlj8LsgtJM-frrfbXu/view).</p> <p>This has resulted in significant knowledge gaps resulting in pupils falling further behind age-related expectations.</p>

St Edward's Academy

Pupil Premium Report

2021 / 2022

Perseverance

Our assessments (including well-being surveys), observations and discussions with pupils and families have identified social and emotional issues for many pupils. These include (but aren't restricted to) anxiety, depression (diagnosed by medical professionals) and low self-esteem. This is partly driven by concern about catching-up lost learning and exams/future prospects. Students in Key Stages 4 and 5 are worried about reverting back to a full suite of exams following the introduction of Centre and Teacher Assessed Grades in 2020 and 2021. They have been impacted by the national lockdowns and the lack of enrichment opportunities due to the pandemic. These challenges particularly affect disadvantaged pupils, including impacting on their attainment and progress. During the pandemic, referrals for support markedly increased. A significant number of students currently require additional support with social and emotional needs.

Excellence

Given the impact of the pandemic, it may be expected that attendance rates would have dramatically fallen during academic year 2020/2021. It is very pleasing to note that attendance rates remained above national average at 94.6% at St Edward's Academy.

Deprivation appears to have impacted attendance during 2020/2021, with Pupil Premium students missing 7.92%, compared with 6% in 2018/2019. Our assessments and observations indicate that absenteeism will negatively impact disadvantaged pupils' progress. It should be noted that the increase of 1.92%, although unwelcome, does buck national trends that saw dramatic increases in absenteeism during the pandemic.

2020/2021 Attendance and Punctuality

	Attendance % sessions missed	*National % sessions missed	Punctuality % total sessions late
Free School Meals	9.09%		4.07%
No Free School Meals	4.47%		3.24%
Pupil Premium	7.92%	8.2%	4.07%
Not Pupil Premium	4.09%	4.5%	3.06%

*National data is from 2019

St Edward's Academy

Pupil Premium Report

2021 / 2022

Intended outcomes

Our intention is that all pupils, irrespective of their background or the challenges they face, make good progress and achieve high attainment across the curriculum, including in EBacc subjects. The focus of our Pupil Premium strategy is to support disadvantaged pupils to achieve that goal; underpinned by our HOPE values, this will ensure that all learners can live 'Life in all its fullness'.

The table below explains the outcomes we are aiming for by the end of our current strategy plan, and how we will measure whether they have been achieved.

	Intended outcome	Success criteria
Humanity	To achieve and sustain improved well-being for all pupils, including those who are disadvantaged.	Sustained high levels of well-being amongst students, demonstrated by: <ul style="list-style-type: none"> • qualitative data from student voice, student and parent/carer surveys and teacher observations • a significant increase in participation in enrichment activities, particularly amongst disadvantaged pupils.
Humanity	Improved metacognitive and self-regulatory skills among disadvantaged pupils across all subjects.	Teacher reports and class observations suggest disadvantaged pupils are more able to monitor and regulate their own learning. This finding is supported by homework and home learning success rates across all classes and curriculum areas. Impact is also seen through outcomes of compound assessments.
Optimism	Improved reading comprehension among disadvantaged pupils across Key Stage 3.	Reading tests demonstrate improved comprehension skills among disadvantaged pupils and a smaller disparity between the scores of disadvantaged pupils and their non-disadvantaged peers. Teachers will also have recognised this improvement through engagement in lessons and book scrutiny.
Perseverance	To achieve and sustain improved attendance for all pupils, particularly our disadvantaged pupils.	Sustained high attendance, demonstrated by: <ul style="list-style-type: none"> • the overall absence rate for all pupils lowers and is better than national averages • the attendance gap between disadvantaged pupils and their non-disadvantaged peers is reduced • the percentage of all pupils who are persistently absent decreases and the figure among disadvantaged pupils improves when compared with their peers.
Excellence	Improved attainment among disadvantaged pupils across the curriculum at the end of Key Stage 4, with a focus on the impact on Progress 8, Attainment 8 and the EBacc subjects.	By the end of our current plan, an increased number of disadvantaged pupils will have entered the English Baccalaureate (EBacc). Key Stage 4 outcomes will demonstrate that the attainment gap between disadvantaged and non-disadvantaged pupils is decreasing further.

St Edward's Academy

2021 / 2022

	<p>focus for this academic year are teaching standards 5 and 6:</p> <p>5. Adapt teaching to respond to the strengths and needs of all pupils:</p> <ul style="list-style-type: none"> - know when and how to differentiate appropriately, using approaches which enable pupils to be taught effectively; - have a secure understanding of how a range of factors can inhibit pupils' ability to learn, and how best to overcome these; - demonstrate an awareness of the physical, social and intellectual development of children, and know how to adapt teaching to support pupils' education at different stages of development; - have a clear understanding of the needs of all pupils, including those with special educational needs; those of high ability; those with English as an additional language; those with disabilities; and be able to use and evaluate distinctive teaching approaches to engage and support them. <p>6 Make accurate and productive use of assessment:</p> <ul style="list-style-type: none"> - know and understand how to assess the relevant subject and curriculum areas, including statutory assessment requirements; - make use of formative and summative assessment to secure pupils' progress; - use relevant data to monitor progress, set targets, and plan subsequent lessons; - give pupils regular feedback, both orally and through accurate marking, and encourage pupils to respond to the feedback.
<p>Barriers to learning these priorities address</p>	<ul style="list-style-type: none"> • Access to the curriculum is limited if students cannot access key texts and content. • Access to Extra and Supra Curricular learning opportunities (these are particularly vital as we respond to the Covid-19 pandemic and subsequent national school closures). • Academic learning habits (these are addressed through our extensive pastoral support programme).

Wider strategies for current academic year

Measure	Activity
<p>Priority 1</p>	<p>Identify and continue to implement programmes of extra-, and supra- curricular activities and career advice to enrich the learning of our students (including by meeting the Gatsby benchmarks).</p>
<p>Priority 2</p>	<p>Build the cultural capital of our students.</p>
<p>Barriers to learning these priorities address</p>	<ul style="list-style-type: none"> • Impact of Covid-19 pandemic, lockdown and national school closures on growth of cultural literacy. The impact of the pandemic on the experiences of students in 2019/2020 and 2020/2021 can still be felt in academic year 2021/2022. • Parental engagement for disadvantaged learners.

St Edward's Academy

Pupil Premium Report

2021 / 2022

Monitoring and Implementation

Area	Challenge	Mitigating action
Teaching – Embed a culture of Stretch for All (through quality first teaching)	Ensure wider leadership capacity (through distributive leadership) to monitor and implement Pupil Premium strategy across the school.	Culture of quality first teaching. Provision for challenge for all, including disadvantaged. Focus on challenge and scaffolded support (through toolkits) for lowest 20%. Stretch and challenge for academically able pupils from disadvantaged backgrounds. These are most at risk of under-performing and should receive just as much focus as less academically able pupils.
Targeted support	Understanding cohorts and their individual needs- #Knowyourstudents	Leaders deliver targeted curricular, extra-curricular and supra-curricular support to ensure accelerated progress.
Wider strategies	Identifying and overcoming the barriers to learning for disadvantaged learners, including LAC	Working closely with external agencies to ensure strategies with disadvantaged students are grounded in the wider school improvement strategy and provide a supportive experience for all. Disseminate information to key staff so that strategies can be effective and impactful.
