

Careers & STEM Bulletin No7

Please see below upcoming events, virtual work experience and STEM events that you might find interesting. All of these events are free of charge.

Stemettes 2020 December Explore - 21 & 22 December 2020

Stemettes plan to bring young women from across the UK and Ireland for a series of live sessions on Instagram and Microsoft Teams over two days in December. You'll get creative with STEM, meet role models from across the STEM world and also network with STEM role models as well as your peer Stemettes. For ages 7 to 25 across 4 streams.

We wholeheartedly encourage our students to get involved. This bulletin presents a number of opportunities that we really hope you grab with both hands. If students participate in any of these events, they should ensure that they register with their school email address (and not a personal email). Get involved! Life in all its fullness.

With my very best wishes,

Mr P Lynch Assistant Headteacher
