

Guide to Subject Specific Careers Websites

Subject Related Specific Websites

Welcome to the St Edward's Academy subject related careers website repository.

You will find lots of information about diverse careers by subject. These are not the ONLY careers resources available within each subject area, but the subject pages are a great place to start exploring your possible future career options.

The following websites provide information about a number of different careers and university courses across a wide range of subjects:

ART AND DESIGN

Click on the links below to find out more about the different careers available using **Art and Design**. You will find out entry requirements, university and apprenticeship opportunities, average salaries and much more!

1. Advertising art director

<https://www.careerpilot.org.uk/job-sectors/sales-marketing/job-profile/advertising-art-director>

2. Animator

<https://www.careerpilot.org.uk/job-sectors/design/job-profile/animator>

3. Art gallery curator

<https://www.careerpilot.org.uk/job-sectors/arts-crafts/job-profile/art-gallery-curator>

4. Graphic designer

<https://www.bbc.co.uk/bitesize/articles/zhf7qp3>

5. Fashion designer

<https://nationalcareers.service.gov.uk/job-profiles/fashion-designer>

6. Textile designer

<https://www.careerpilot.org.uk/job-sectors/design/job-profile/textile-designer>

7. User (UX) experience design (create websites and apps to meet consumer needs)

<https://www.careerpilot.org.uk/job-sectors/media/job-profile/ux-designer>

8. Visual merchandiser (create eye-catching displays in shops)

<https://www.careerpilot.org.uk/job-sectors/retail/job-profile/visual-merchandiser>

Real world examples – watch videos and read stories about people who work in careers using **Art and Design**:

Studying Fine Art at university -

<https://www.unifrog.org/student/subjects/keywords/fine-art>

Studying Graphic Design at university -

<https://www.unifrog.org/student/subjects/keywords/graphic-design>

A user experience designer - <https://www.bbc.co.uk/bitesize/articles/zm2rvk7>

A graphic designer at the V&A museum - <https://icould.com/stories/joanne-g/>

St Edward's Academy

A costume designer - <https://icould.com/stories/hannah-l/>

An animator - <https://icould.com/stories/maxwell-o/>

A fashion designer for the high street - <https://icould.com/stories/jeni-b/>

A computer game modeller - <https://icould.com/stories/mark-b-2/>

COMPUTER SCIENCE & iMEDIA

Click on the links below to find out more about the different careers available using **Computer Science**. You will find out entry requirements, university and apprenticeship opportunities, average salaries and much more!

1. App developer

<https://www.careerpilot.org.uk/job-sectors/software-systems/job-profile/app-developer>

2. Automotive engineer (design, develop, test and build cars and motorbikes)

<https://www.careerpilot.org.uk/job-sectors/engineering-design/job-profile/automotive-engineer>

3. Computer games developer

<https://nationalcareers.service.gov.uk/job-profiles/computer-games-developer>

4. Cyber intelligence officer (gather information about threats to IT)

<https://www.careerpilot.org.uk/job-sectors/data-network/job-profile/cyber-intelligence-officer>

5. IT Director (manage the development of IT systems for organisations)

[https://www.careerpilot.org.uk/job-sectors/data-network/job-profile/head-of-it-\(it-director\)](https://www.careerpilot.org.uk/job-sectors/data-network/job-profile/head-of-it-(it-director))

6. Software engineer

<https://www.bbc.co.uk/bitesize/articles/zk32gwx>

7. Web designer (design new websites and develop existing ones)

<https://www.careerpilot.org.uk/job-sectors/design/job-profile/web-designer>

8. Broadcast engineer (make sure TV, radio and online broadcasts run smoothly)

<https://www.careerpilot.org.uk/job-sectors/media/job-profile/broadcast-engineer>

Real world examples – watch videos and read stories about people who work in careers using **Computer Science**:

Study electronic engineering at university -

<https://www.unifrog.org/student/subjects/keywords/electronic-and-electrical-engineering>

Study computer science and AI at university (with industry placements) -

<https://www.unifrog.org/student/subjects/featured/computer-science-and-ai>

Study Computer Games Programming at university -

<https://www.unifrog.org/student/subjects/featured/computer-games-design-and-games-programming>

Cyber Security apprentice - <https://www.bbc.co.uk/bitesize/articles/zjvf2sg>

A software engineer - <https://www.unifrog.org/student/subjects/featured/software-engineering>

A coder - <https://www.bbc.co.uk/bitesize/articles/zmq3jhv>

An app developer - <https://www.bbc.co.uk/bitesize/articles/zhgn92p>

Other useful websites:

FOOD TECHNOLOGY

Click on the links below to find out more about the different careers available using **Food Technology**. You will find out entry requirements, university and apprenticeship opportunities, average salaries and much more!

1. Chef

<https://www.careerpilot.org.uk/job-sectors/food-drink/job-profile/chef>

2. Baker

<https://www.careerpilot.org.uk/job-sectors/food-drink/job-profile/baker>

3. Catering Manager

<https://www.careerpilot.org.uk/job-sectors/events/job-profile/catering-manager>

4. Food scientist (develop new food and drink products)

<https://www.careerpilot.org.uk/job-sectors/food-drink/job-profile/food-scientist>

5. Nutritional Therapist (give people advice on diet and nutrition)

<https://nationalcareers.service.gov.uk/job-profiles/nutritional-therapist>

6. Nutritionist (share scientific knowledge on the effects of diet on health and wellbeing)

<https://www.careerpilot.org.uk/job-sectors/medical/job-profile/nutritionist>

Real world examples – watch videos and read stories about people who work in careers **using Food**

Technology:

Studying Food Manufacturing at university -

<https://www.unifrog.org/student/subjects/keywords/food-and-beverage-studies>

Studying Nutrition at university -

<https://www.unifrog.org/student/subjects/featured/nutrition>

A Head Chef - <https://icould.com/stories/brian-n/>

A sous chef - <https://www.bbc.co.uk/bitesize/articles/zjmct39>

A baker - <https://www.bbc.co.uk/bitesize/articles/zvmjbdm>

A chef and food vlogger - <https://www.bbc.co.uk/bitesize/articles/z4fq382>

A restaurant assistant manager - <https://www.bbc.co.uk/bitesize/articles/z4v7bdm>

GEOGRAPHY

Click on the links below to find out more about the different careers available using **Geography**. You will find out entry requirements, university and apprenticeship opportunities, average salaries and much more!

1. Cartographer (designing and producing maps such as Google Maps)

<https://www.careerpilot.org.uk/job-sectors/software-systems/job-profile/cartographer>

2. Overseas aid worker (help people overseas affected by man-made and natural disasters)

<https://nationalcareers.service.gov.uk/job-profiles/aid-worker>

3. Airline pilot

<https://nationalcareers.service.gov.uk/job-profiles/airline-pilot>

4. Drone pilot

<https://www.careerpilot.org.uk/job-sectors/agriculture/job-profile/drone-pilot>

5. Ecologist (study the relationship between plants, animals and the environment)

<https://www.careerpilot.org.uk/job-sectors/environment/job-profile/ecologist>

6. Quantity Surveyor

<https://www.careerpilot.org.uk/job-sectors/on-site/job-profile/quantity-surveyor>

7. Seismologist

<https://www.careerpilot.org.uk/job-sectors/environment/job-profile/seismologist>

8. Town or city planner

<https://www.careerpilot.org.uk/job-sectors/design-planning/job-profile/town-planner>

9. Diplomatic Service Officer (protect British interests overseas)

<https://www.careerpilot.org.uk/job-sectors/government/job-profile/diplomatic-service-officer>

Real world examples – watch videos and read stories about people who work in careers using **Geography**:

Studying geology at university -

<https://www.unifrog.org/student/subjects/keywords/geology>

Studying geography at university -

<https://www.unifrog.org/student/subjects/keywords/geography>

A city planner for Westminster Borough Council - <https://icould.com/stories/nicole-n/>

An airline pilot - <https://icould.com/stories/jonathan-g/>

A helicopter pilot - <https://www.bbc.co.uk/bitesize/articles/znbqpg8>

Secondary school geography teacher -

<https://www.bbc.co.uk/bitesize/articles/znbqpg8>

A cartographer - <https://icould.com/stories/simon-d/>

A conservation trainee - <https://www.bbc.co.uk/bitesize/articles/zrvv7nb>

Other useful websites:
