Year 6, I am very excited to meet you all when you start with us in September. I know that when you join us, you will make friends, work hard and become wonderful members of our community. As a part of our school you will have wonderful opportunities and get the chance to 'Live life in all its fullness'.

Starting secondary school is a really exciting time and I can't wait to meet all of our new Year 7s. Each year group are unique and I am keen to see what wonderful qualities you will all have. I teach Geography here and hope to inspire you to make the world a better place. I am also responsible for progress in Year 7 and 8 so I am sure I will get to know you all very quickly.

**Mr Adewale

English at secondary school is incredibly exciting. In Year 7, one book we read is 'A Monster Calls', an extraordinary and heart-breaking tale of mischief, healing and courage.

**Ms Day

We look forward to welcoming you in September. I teach PE at St Edward's and when you start we will be teaching you trampolining.

Life in

all its

fullness

We are really looking forward to you joining our community in September 2021. We work together to help you feel safe and happy, so you can enjoy your learning. We will challenge you to make excellent progress in all your subjects. As well as teaching English, I am responsible for the curriculum, SEND and worship at our school. We have a wide range of subjects and you will get to experience them all with our specialist teachers.

**Ms Wensley

I am really looking forward to meeting each and every one of you. I am the Head of Learning for Year 7 and make sure you and your friends are all settling into secondary school life. If you have any problems you can speak to me or your form tutor who you see everyday. I also regularly speak to your parents and carers to update them on your progress in school.
