St Edward's Academy Sixth Form Curriculum Impact

Here at St Edward's Academy, our curriculum supports a culture rooted in high expectations for all. Our curriculum cultivates a love of learning and ambition for success.

The impact of the St Edward's Academy Sixth Form curriculum offer is that we:

- Foster a love of learning: St Edward's students will live 'Life in all its fullness';
- Provide a curriculum which reflects our culture, ethos and local context;
- Reflect our priorities of well-being, good physical and mental health and a strong sense of belonging, including through our core HOPE values of Humanity, Optimism, Perseverance, Excellence;
- Create confident, literate and numerate individuals with high aspirations who are able to live safe, healthy and fulfilling lives;
- Provide a high-quality education for all students through an ambitious, well-designed and well-sequenced curriculum;
- Address social justice and inequality, ensuring that each student, irrespective of ability and starting point, is enabled to realise their potential, with an additional focus on cultural capital;
- Ensure that students are prepared for key transition points through the offer of a range of courses linked to independent careers advice;
- Identify links between SEND, pastoral intervention and academic progress, ensuring that support and intervention is communicated, tracked and its impact is assessed;
- Provide a wide range of extra-curricular and supra-curricular activities which supplement the curriculum.
